# SNAP products for picture perfect vehicles

## CONTACT

---

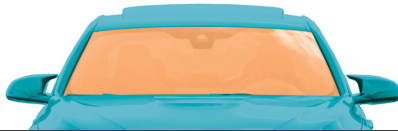

Are you on the front edge of high performance vehicle washing products or are you the type to wait and be a "me too" car wash owner? Ver-tech is introducing a new family of products formulated to make vehicle finishes pop. Customers will see and feel the difference - and more importantly they will want to come back to your wash and order the extra services. Cleaner-Brighter-Better with the new Snap protectants, triple foam and drying agent.

*Snap Shine*
