

TONKA HD

TECHNICAL DATA SHEET

PRODUCT CODE

TON100

Tonka HD is a concentrated moderate foaming caustic alkaline detergent for cleaning tractors, garbage trucks, construction equipment and trailers. Tonka HD can be used in one step touchless truck washing or as the second step in touchless truck and trailer washing. In two step touchless washing, Tonka HD effectively neutralizes step one acid cleaners like Lightning HD and removes a variety of tough soils and greases. Tonka HD is not soft or polished metal safe.
