TUNNEL CLEANING KIT

DETERGENT

RAGS TO WRAPS

Enhance your brand colors with this specialized detergent - cleansing wraps, curtains, and rags while preventing streaks by removing excess drying agent from towels and cloth dryers.

Recommended Usage:

- ☒ Wraps & Curtains:
15-20 : 1 (foam, dwell, rinse)
- ☒ Laundry (rags & towels)
2 oz/20# load

CLEANER

WINDOWS TO WALLS

A safe-acid formula effectively cleans hard surfaces like walls, windows, and equipment, while brightening agents restore them to like-new condition.

Recommended Usage:

- ☒ Windows
10-20 : 1 (foam, dwell, rinse)
- ☒ Walls and Other
1-10 : 1 (foam, dwell, rinse)

DEGREASER

GREASE TO GRIME

Cut through grease and grime with this powerful degreasing agent. Designed for hard surfaces including conveyor areas, equipment and more. Delivers heavy-duty degreasing where you need it most.

Recommended Usage:

- ☒ Conveyor/Equipment
10 : 1 (foam, dwell, rinse)
- ☒ Doors/Other:
10-50 : 1 (foam, dwell, rinse)

PROTECTANT

PROTECT & SEAL

Keep your tunnel cleaner, longer with Protect & Seal - a cutting-edge protectant that repels dirt and grime for easier maintenance.

Recommended Usage:

- ☒ Hard Surfaces:
20-50 : 1 (spray surface)
- ☒ Doors/Other:
10-50 : 1 (foam, dwell, rinse)

PPE RECOMMENDATIONS:

When using the above products it is recommended to use gloves and eye protection for your safety. For more instructions, refer to the product Safety Data Sheet (SDS).

STAY CLEAN.
