# MAINTAIN TUNNEL CLEANING KIT

## DETERGENT

### RAGS TO WRAPS

Enhance your brand colors with this specialized detergent - cleansing wraps, curtains, and rags while preventing streaks by removing excess drying agent from towels and cloth dryers.

#### Recommended Usage:

- ✓ Wraps & Curtains:  
15-20 : 1 (foam, dwell, rinse)
- ✓ Laundry (rags & towels)  
2 oz/20# load

## CLEANER

### WINDOWS TO WALLS

A safe-acid formula effectively cleans hard surfaces like walls, windows, and equipment, while brightening agents restore them to like-new condition.

#### Recommended Usage:

- ✓ Windows  
10-20 : 1 (foam, dwell, rinse)
- ✓ Walls and Other  
1-10 : 1 (foam, dwell, rinse)
- ✓ Equipment  
1-10 : 1 (foam, dwell, rinse)

## DEGREASER

### GREASE TO GRIME

Cut through grease and grime with this powerful degreasing agent. Designed for hard surfaces including conveyor areas, equipment and more. Delivers heavy-duty degreasing where you need it most.

#### Recommended Usage:

- ✓ Conveyor/Equipment  
10 : 1 (foam, dwell, rinse)
- ✓ Doors/Other:  
10-50 : 1 (foam, dwell, rinse)

## PROTECTANT

### PROTECT & SEAL

Keep your tunnel cleaner, longer with Protect & Seal - a cutting-edge protectant that repels dirt and grime for easier maintenance.

#### Recommended Usage:

- ✓ Hard Surfaces:  
20-50 : 1 (spray surface)
- ✓ Doors/Other:  
10-50 : 1 (foam, dwell, rinse)
